## Description

*Double Trouble* is one of over 225 of the Seawind 1000 series that have been built and are cruising all over the world. The introduction of the Seawind 1000XL included many useful new features over the predecessor 1000 series, incorporating additional waterline length and further refining this iconic cruising catamaran. With sporty sailing characteristics and simple systems, the Seawind 1000XL is a pleasure to own and operate. It can be operated as an affordable "weekend warrior" or be an excellent Bahamas cruising platform for a couple or small family.

Double Trouble has 4 sleeping berths with one head layout. The salon table also converts to a large bunk to offer beautiful sleeping above deck with full protection. The boat has great visibility and good sun protection from the dual helms positions while sailing.

Some of Double Trouble's highlights are:

- Air Conditioning
- 2 x Yamaha 9.9hp Outboard engines (859hrs Port - 1392hrs Stbd)
- Full Raymarine Navigation electronics suite including Radar and Autopilot
- 250w of Solar
- Self-tacking Jib and Code 0
- Bosch Water Heater

Double Trouble is located in beautiful St Augustine, FL and available for showings by appointment.
