## Description

### Rare 3-cabin cross-beam master suite with the desirable cherry wood cabinetry throughout!

Rock 'n' no Roll is a well-maintained 2006 Privilege 435 that epitomizes liveaboard comfort, offshore capability, and classic French craftsmanship. With her cherry wood interior, three spacious cabins including a rare cross-beam master suite, and exceptional sailing capabilities, she stands out as one of the finest examples of her kind currently on the market.

The Privilege line is revered among discerning cruisers for their exceptional build quality, robust construction, and interior elegance—and this 435 is no exception. Built by Alliaura Marine in Les Sables-d'Olonne, France, and designed by the legendary Marc Lombard, the Privilege 435 blends seaworthiness and sophistication with the kind of timeless design rarely seen in modern production catamarans.

Privilege has always placed a premium on quality over quantity—and it shows. Owners of these vessels routinely praise their durability, elegant finishes, and ability to go the distance. Rock 'n' no Roll embodies this tradition with grace.

Some of Rock 'n' no Roll's equipment highlights include:

- 520 Watts of solar - 4x 130-watt panels
- Dessalator 24 GPH water maker
- 2x Frigoboat stainless steel refrigerators/freezers
