## Description

### *Great Opportunity For A Live-Aboard Cruising Vessel!!*

Introducing a well-maintained and equipped 1997 Beneteau Oceanis 461 - 3 Cabin / 2 Head, designed by Bruce Farr & Armel Briand. This practical cruiser combines performance and reliability. Having gracefully crossed the Atlantic, this vessel boasts a proven track record in long-distance sailing. Although over 20 years old, the boat has had some nice upgrades over the years, and has been prepared for offshore adventures and extended journeys. She is equipped with masthead sloop rigging, featuring an installed inner forestay. The Mainsail and Genoa are on furlers, and there is an additional selection of sails in her inventory. Along with the reliable and refurbished 80 horsepower Perkins Prima M80T diesel engine, it promises smooth sailing and dependable performance. The vessel is equipped with a **bow thruster, life-raft, solar system, and lithium batteries**, among many other features. The Oceanis 461 is designed for comfort and convenience, featuring three spacious cabins and two heads, making it perfect for family adventures, four-legged travel companions, and/or entertaining guests. The thoughtful layout provides ample space for relaxation and enjoyment. This boat is ready for your next journey. Whether you're navigating coastal waters or embarking on a longer voyage, the Beneteau Oceanis 461, affectionately named "Layla," is a fantastic choice ready to embark on new adventures with its next owner. She is currently located in the beautiful city of Saint Augustine.
